BIZBASH SELECTS THE HOME DESIGN AND REMODELING SHOW AS ONE OF MIAMI/SOUTH FLORIDA'S TOP 100 EVENTS

The Home Design and Remodeling Show is acknowledged as one of the most powerful events making an impact in Miami/South Florida.

May 23, 2017 — From galas and benefits, to entertainment, sporting events, and more, **BizBash** has announced its 2017 list of **Top 100 Events in Miami/South Florida** and has named the **Home Design and Remodeling Show** (Home Show Management Corp.) to this exclusive list. To select and rank these events, BizBash considers the event's influence within the industry, in addition to innovation, reach, economic impact, and more.

With over 40 years of Shows in Miami and Broward, the Home Design and Remodeling Show is South Florida's premier expo for home design and improvement. Show-goers can choose from a wide selection of products and services suited for small decorating to large renovation projects: furniture; fine art and décor; landscaping design, patio furniture and grills; appliances; doors, cabinets and fixtures; flooring; home automation; wall and window treatments; home automation; hurricane protection, and much more. Guests can also meet national TV design celebrities, enjoy daily lifestyle seminars and one-to-one interactions with design professionals and local artists.

"So many high-profile events call Miami and South Florida home, and to choose the best from this diverse landscape is no easy task," says **Beth Kormanik**, BizBash executive editor. "Today's top events reflect a sharply honed sense of mission, thoughtful production, and engaged guests—factors that all contribute to their success."

"We are thrilled to receive this BizBash award for the fourth consecutive year," comments **Adam Kayce**, Home Show Management Corp.'s Vice-President and Show Director. "This national honor reaffirms our team's commitment to be South Florida's best and largest expo for home and commercial design and improvement. Because we do not travel like other trade shows, we are able to better serve both the needs of South Florida homeowners, and the businesses that count on us for year-round promotional support.

The Home Design and Remodeling Show opens its Fort Lauderdale Home Show this Memorial Day Weekend from May 26-29th at the Broward County Convention Center. And, from September 1-4th, at the Miami Home Design Remodeling Show, Home Show Management Corp. will launch its Design Innovators Showcase – a new luxury design

section. For more information, visit www.homeshows.net; or follow on social media @FLHomeShows #FLHomeShows.
