Weston Art Guild presents, “Art, Culture Feeding” at the Fort Lauderdale Home Show

Fort Lauderdale, Florida....November 7, 2017...The [Fort Lauderdale Home Design and Remodeling Show](#) and the **Weston Art Guild** present, “Art, Culture Feeding” – A visual banquet and artist encounter showcase set before you by eleven WAG members. “Art, Culture Feeding” reflects the multicultural composition in its members work. Nourishment is digested through color, texture, complex subjects, wet on wet techniques, geometric shapes, repetition of color and line. Dining will facilitate freedom to explore, as well reflect and enhance conscious and unconscious awareness. Hoping to titillate taste buds that will lead to new possibilities and transformative thoughts of ourselves and the world. Bon Appetite!

Participating artists include: Monica Azpuru, Patricia Beltran, Becky Blackwood, Susan Gillingham, Eliane Harvey, Alexandra Jones, Magdaly Montenegro, Consuelo Mora, Lifranicis Rojas, Steve Romero, and Lynda Sauls. The showcase is curated by Lynda Sauls.

About the “At Home with Art” program at the Home Design and Remodeling Show

Local artists (or a non-profit organization representing artists) are selected through a submission process based on their skills and willingness to serve as South Florida art ambassadors. The mission of the program is to: (1) demonstrate that fine art is an intrinsic part of the home; (2) allow artists to interact with the community and help people understand artistic process and intention; (3) provide outreach materials related to local art events such as artist talks and open studio nights; and (4) encourage people to start or continue a collection of art by local artists.

To date, over 100 South Florida artists have participated in the Home Show’s #AtHomewithArt artist encounter program.

Visit www.homeshows.net/artists.html to read more about each participating artist.
